NITECORE®

Lii

Indie Backpack Designer

As a senior military and outdoor enthusiast, Lii established his own backpack brand, Lii Gear, in 2014. His innovative design concepts and unique crafting techniques make them worldwide popular in the backpack community.

Designed in Collaboration with Lii Gear

Specially designed for commuters and overnighters, the BP18 is equipped with an 18L main compartment featuring quick release shoulder straps and the unique Fishbone Carrying System for outstanding ergonomic comfort and breathability.

Quick Release Shoulder Straps

The quick release buckles on the shoulder straps can be easily detached by pulling out to switch between a backpack and a sling bag while guaranteeing a secure carry.
