5-Port USB Desktop Adapter

Multiple Global Certifications Approved

NITECORE®

UA55 50W

5-Port USB Desktop Adapter

AC Power Cable Included

Specifications

Input: 100-240V ~50-60Hz 1.5A (MAX)

Output: 5V = 10A, (2A MAX Per Port) | 50W MAX

Dimensions: 3.83" x 2.69" x 1.11"

(97.3mm x 68.4mm x 28.3mm)

Weight: 6.3oz (178.5g)

NITECORE®

UA55 5-Port USB Desktop Adapter

- 50W High Speed Charging
- Simultaneous Full Output of 5 Ports
- Powerful USB Device Compatibility
- Multiple Protection Safeguards

NITECORE®

UA55 50W

5-Port USB Desktop Adapter

Simultaneous Full Output for 5 Devices

Each USB port equals an independent high-power charger and offers a dominant and stable output for max 5 devices simultaneously, while space saving by occupying only one outlet.

NITECORE®

UA55 50W

5-Port USB Desktop Adapter

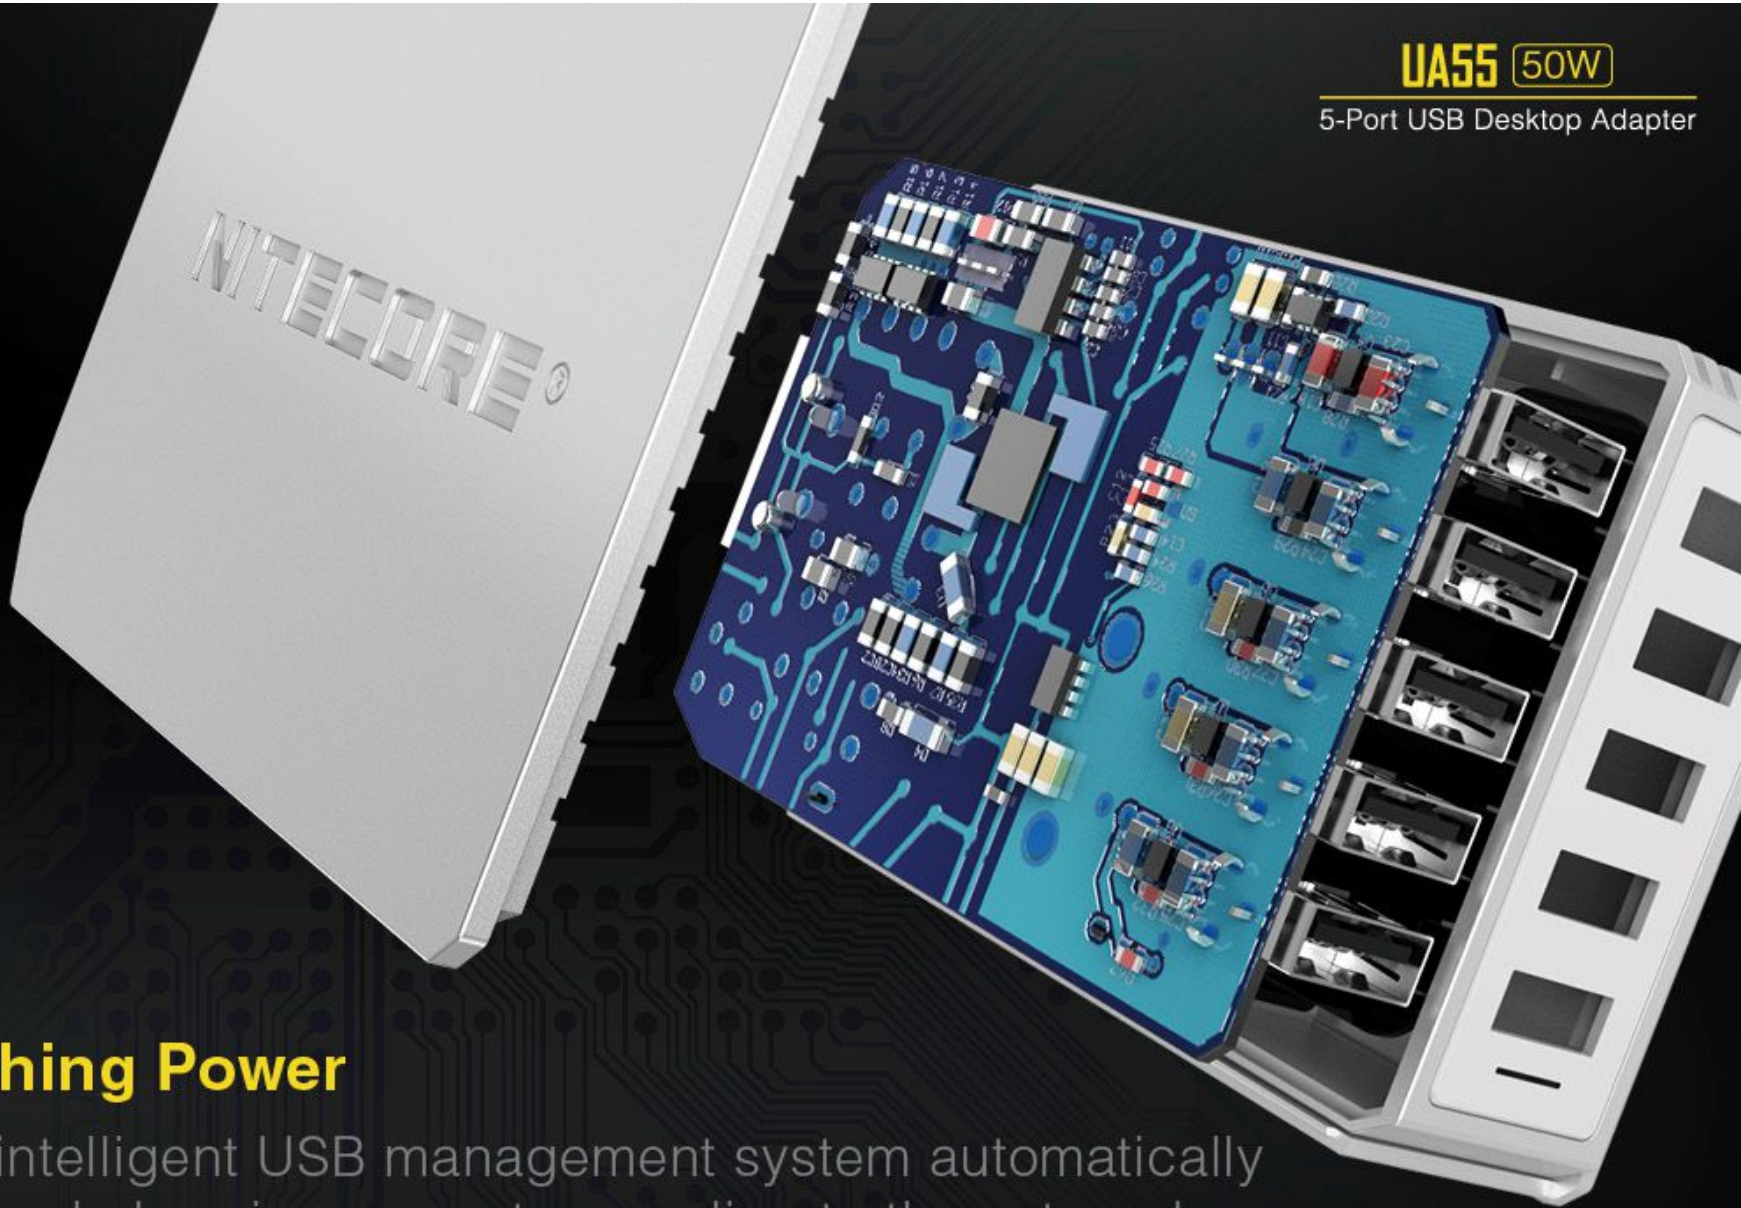

10A Max Total Output Current

The outstanding performance of 10A total output current with 2A per port provides a high-speed charging experience for several large-capacity devices.

NITECORE®

UA55 50W
5-Port USB Desktop Adapter

50W Astonishing Power

The integrated intelligent USB management system automatically adopts the optimal charging current according to the external devices and guarantees a safe and stable charging process.

Powerful Compatibility

Optimized to any mainstream device ranging from Android/iOS smartphones and tablets to other USB devices.

Multiple Protection Safeguards

- ⓪ Input / Output Overvoltage Protection
- Ⓛ Input / Output Overcurrent Protection
- Ⓜ Short-Circuit Protection
- Ⓢ Reverse Current Protection
- ⚡ Automatic Cut-off Protection
- ⚡ Anti-Static Protection
